It is the responsibility of the official exhibitor contact to ensure that all booth staff and vendors/contractors/agents are aware of and adhere to all CCJR® Organizers' Rules and Regulations and conduct themselves in a professional manner. During CCJR®, all exhibitors, their vendors, contractors and agents must wear attire that is consistent with the professional atmosphere of the meeting. No exhibitors, including vendors/contractors/agents hire to work a booth, may solicit attendees or other exhibitors from outside of their booth or elsewhere in the meeting venue. Exhibitor personnel may not enter another exhibitor's booth space without obtaining permission, nor should personnel block access to another booth.

At no time may anyone enter an unstaffed booth of another exhibitor. Any questionable exhibit or activity that exceeds the bounds of good taste as interpreted by the CCJR® Organizers will be required to be curtailed.

5. Exhibit Space Fees

Exhibit space will be rented at the rate of \$65.00/sq. ft. for a minimum of 10' x 10' booth. All spaces are sold in 10' x 10' increments. The invoice will be issued once a complete and signed exhibitor application is received and approved. The full balance of booth space charges must be received no later than December 1, 2023. If payment is not made in accordance with the above terms and conditions, the CCJR® Organizers will be under no obligation to keep the previously reserved space that may be released at the CCJR® Organizers' sole discretion without notice or further obligation. Late payments may impact booth selection priority placement for CCJR® 2023.

6. Space Assignment

Exhibitors shall identify their ideal exhibit space location as further set forth on the application. Exhibitors are encouraged not to concentrate all space choices in one area of the floor plan. Space assignments will be confirmed by October 15, 2023.

7. Cancellations and Refunds

All cancellations or reductions in exhibit space must be received in writing, submitted to CCJR® Organizers. Full refund of booth fees already

paid, or adjustment of fees following space reduction, will be issued if received by October 1, 2023. No refunds or adjustments will be issued after that date. A company's reduction of exhibit space will result in appropriate decrease in number of allocated complimentary exhibitor badges and other benefits, as previously listed.

8. Wait List to Exhibit

Companies that wish to purchase exhibit space after all exhibit spaces are sold will be notified that they have been placed on the wait list. As exhibit space becomes available, companies will be notified of space availability.

9. Booth Construction

Inline Booth has only one (1) side exposed to an aisle and is generally arranged in a series along a straight line. Multiple inline booths may be combined to form a larger inline booth space.

Corner Booth is an inline booth exposed to aisles on two (2) sides.

Use of Space: Regardless of the number of inline booths utilized, exhibit fixtures should be arranged in such a manner as not to obstruct sight lines of neighboring exhibitors. Show Management or its agents or representatives will enforce this policy.

Island Booth is any-size booth exposed to aisles on all four (4) sides. The entire cubic volume of this booth may be used up by exhibiting company. Any exhibitor occupying an island booth is required to submit a detailed floor plan, with dimensions, including height or all items in the booth (inclusive of hanging signage), to CCJR® Organizers by November 8, 2022.

10. Exhibitor Service Kit

Exhibitor service kit will be made available to confirmed exhibitors after October 1, 2023.

11. Dismantle of Exhibits

Dismantle and removal of exhibits is strictly prohibited before the official posted closing* of the Exhibit Hall. Companies in violation of this will be addressed by the CCJR® Organizers to discuss penalties which may result in the exhibitor not being permitted to exhibit at future CCJR® events. (*Schedule is subject to change.)

12. Booth Noise

Loud speakers or operation of equipment with excessive sound volume that could be disruptive or unpleasant to other exhibitors or attendees is not permitted based on the 80/80 rule: any sound that consistently exceeds 80 decibels measured at the edge of an exhibitor's booth or is clearly identifiable at 80 or more feet away from the source is considered objectionable and must be turned down or turned off.

13. Staffing of Exhibits

It is preferred that exhibit booths be staffed during all posted exhibit hours. The mandatory times for booths to be staffed include breakfasts, morning and afternoon breaks, lunches, and receptions. An exhibit company that fails to set up or properly staff its booth during the mandatory staffing times will forfeit all current exhibit rights and may be prohibited from exhibiting in the future. Temporary or contract personnel are considered company representatives and must be registered as such and wear an exhibitor badge to be admitted into the Exhibit Hall.

14. Subletting

Exhibitors may not assign or sublet their exhibit space, or permit others to use any portion of, or all, contracted exhibit space without the express approval of the CCJR® Organizers. Exhibitors may display only products or services manufactured or sold by them in the regular course of business. The featuring of names or advertisements of nonexhibiting business entities is prohibited.

15. Sales Activities

Sales activities and price lists are prohibited in the Exhibit Hall at all times. This will be strictly enforced and may result in immediate closure of exhibitor's booth, without any refunds, as well as denial of future exhibit or sponsorship opportunities.

16. Multiple Divisions

Companies with multiple divisions that will share the same booth may not contract separately or be listed by division in meeting materials, online, etc. All divisions must be listed under one company name. Badges will not be split between divisions. The allotted number of complimentary badges for the booth must be shared among different division representatives who will all be identified under the contracted company name.

17. Distribution of Printed Materials

Distribution of printed materials by an exhibitor of its agents is limited to within the exhibitor's allotted exhibit or meeting space. Such materials are not permitted to be distributed in the aisles of the Exhibit Hall, lobbies, registration, common areas, in or near CME education rooms, parking lots, and/or any other hotel premises. Noncompliance with this regulation will be addressed by the CCJR® Organizers with the company in violation and will result in a loss of engagement privileges.

Approved sponsorship opportunities may include distribution of materials on behalf of the sponsor by designated representatives or through approved channels and are exempt from this rule.

18. FDA Disclosure

Companies exhibiting products that are not cleared by the FDA for a particular use in humans or are not commercially available in the U.S. may exhibit only when accompanied by the appropriate signage that indicates the products' FDA status. The company will provide the following signs that should be prominently displayed:

This product is not cleared by the FDA for distribution in the U.S.

This product is intended to be used in the U.S. as described on the product's label.

The signs must be clearly visible and placed near the products and on any graphics or other materials depicting the product. Signage must be approved by CCJR® Organizers and produced at the exhibitor's expense.

19. No Endorsement

The presence of a company/product/service in the Exhibit Hall shall not be constituted as an endorsement of the company or the product/service by CCJR®, The Hip Society or The Knee Society.

It is strictly prohibited to take photos and videos of CME programming. CCJR® Organizers take photos and videos of CCJR® events for use in online and print publications.

22. Compliance with Local Ordinances

Licenses and permits required by local statute, ordinance or regulation (if any) are to be obtained and paid for by the exhibitor. Each exhibitor will be responsible for compliance with local health, fire, and safety ordinances and regulations.

All products or services exhibited must comply with all state and local regulations, and with all current FDA regulations.

CCJR® Organizers have no further responsibility to notify the exhibitors that this compliance is required.

23. Damage to Hotel Property

Exhibitors will be held responsible for any damage done to the hotel property by them, their employees or agents. The position and location of your specific exhibit space has been approved by the local fire marshal and may not be moved.
